## HIGHLIGHTS

- **Individual transparent solid cube:** each single cube is an artwork: crystal clear and perfectly shaped, faithful to the Scotsman tradition.
- **Global standard footprint:** strictly follows international imperial standard commonly adopted in the industry of reference.
- **Agion:** the technology that makes products cleaner and longer lasting with built-in protection working 24/7 to resist the growth of microbes and the development of unpleasant odors.
- **Electronic control:** ambient and water temperatures may change throughout the years but your ice will stay the same.
- **External indicator lights:** keeps ice maker's operations under constant surveillance.
- **Front access condenser air filter:** a do-it-yourself cleaning operation that saves time and money and makes your ice maker live longer.
- **Clean alert:** advises with a blink when it's time to clean the filter.

## Gourmet ice goes EXTREME

Pure, hard, crystal clear, slow melting  
and compact ice, with no holes.  
The cubes are individually formed  
by spraying water onto a subcooled  
horizontal evaporator.

Available in 3 different sizes.
